Sixth circular: congress registration, reminders and supplements

Dear colleagues,

Many of you have already registered for the upcoming epigraphy congress. Some have encountered technical difficulties, but these now seem to have been resolved. For others, it will be useful to clear up any uncertainties, by drawing attention once again to the registration procedures.

Congress Registration Rules

Only those fully registered will be able to participate in the congress and receive the available documentation.

Registration can only be carried out online on the congress website:

<https://ciegl2022.sciencesconf.org/registration?forward-action=index&forward-controller=registration&lang=fr>

On this page, you need to create a specific account to be able to register.

Colleagues presenting a paper in a parallel section or poster are NOT exempt from registration fees. The only people exempt from registration fees are the heads of plenary sessions and parallel sections as well as the three keynote speakers who will give the inaugural, closing and AIEGL lectures.

The related fees have to be paid directly on the congress website. It is possible to pay by credit card or bank transfer.

Rates

The registration rates are different depending on your status and the date on which you register and pay your fees: a reduced rate will apply until **March 31, 2022** (see table below).

In addition, **AIEGL members** will benefit from a preferential rate: AIEGL members who are up to date with their AIEGL membership fees (€25 per year) at the time of their registration for the Congress will benefit from a €30 discount on these registration fees.

The **IDEA** (International Digital Epigraphy Association) also offers subsidies for young researchers who are presenting a paper or poster in this field at the congress. You should send

a short CV, a summary of the paper or poster, as well as a cover letter explaining how their work fits into IDEA's goals to: idea-association@aedeka.com.

Events

There will be two **receptions** during the congress, the first on Monday 29 August, the second on Tuesday 30 August. No additional fee is required to participate, but we ask you to register explicitly for these events, so that we can evaluate the number of guests and establish a list. **Only those who have registered will be able to take part in these receptions.**

The afternoon of Wednesday 31 August there will be an **excursion** to Périgueux, with a guided tour of the Roman city and the Vesunna Museum, followed by a buffet dinner (see the dedicated page on the congress website). For this excursion, registration is also mandatory, and participants must pay a **fee of €40**.

The **deadline** for registering for these events is **1 June 2022**.

Travel and accommodation

Transport and accommodation costs will be **at your expense**.

The congress site already includes some **addresses of hotels** located near the congress venues. We urge you again not to delay in making your hotel reservations and travel arrangements: Bordeaux is very much a tourist destination, especially at this time of year.

You will find on the site a **location map** of the buildings where the congress will be held, in the city centre: it can also help you look for accommodation.

We are looking forward to welcoming to the Bordeaux congress.

With all best wishes,

On behalf of the CIEGL 2022 Organizing Committee,

Pierre Fröhlich

Milagros Navarro Caballero

President of the Organising Committee
